

Ronald B. Kuppersmith, MD

Ron Kuppersmith, MD, FACS, is a board certified Otolaryngologist and also works in our Huntsville office. He is a Professor of Surgery at the Texas A&M Health Science Center College of Medicine. He has received numerous awards including being selected by his peers for inclusion in the "Best Doctors in America", Texas Super Doctors as published in Texas Monthly, the "Guide to America's Top Physicians" by the Consumers' Research Council of America, a Distinguished Service Award and an Honor Award from the American Academy of Otolaryngology-Head and Neck Surgery.

Dr. Kuppersmith has served as the President of the American Academy of Otolaryngology-Head and Neck Surgery, as President of the Texas Association of Otolaryngology-Head and Neck Surgery, and on the Board of Trustees of the College Station Medical Center. He currently serves on the Board of Directors of the American Board of Otolaryngology.

Dr. Kuppersmith is among the first surgeons in North America to successfully perform robot-assisted endoscopic thyroid surgery using the daVinci Surgical System and the first surgeon in Bryan-College Station to perform Balloon Sinuplasty.

Dr. Kuppersmith has served on the Editorial Boards of Otolaryngology-Head and Neck Surgery, Archives of Otolaryngology-Head and Neck Surgery, Laryngoscope, Clinical Thyroidology for Patients, ENT Today, ENT and Audiology News, and ENT Journal. He has given over 180 invited lectures in the United States, Asia, Europe, and South America. He has co-edited a textbook, Robotic Surgery of the Head and Neck: The Essential Guide.

Dr. Kuppersmith is a Fellow of the American Academy of Otolaryngology-Head and Neck Surgery, a Fellow of the American College of Surgeons, a Fellow of the American Academy of Otolaryngic Allergy, Fellow of the Trilological Society and is a member of the American Thyroid Association, American Rhinologic Society, Texas Medical Association, Texas Association of Otolaryngology-Head and Neck Surgery, and the Brazos-Robertson County Medical Society.

Dr. Kuppersmith attended the University of Michigan in Ann Arbor for his undergraduate degree and for medical school. He completed his residency in Otolaryngology-Head and Neck Surgery at Baylor College of Medicine in Houston, Texas which included service at the Methodist Hospital, St. Luke's Hospital, MD Anderson Cancer Center, Texas Childrens Hospital, Ben Taub General Hospital and the Michael E. DeBakey Veterans Affairs Medical Center.
