## CareCredit for hearing health

To hear the world around you is an important part of life. Now the opportunity to improve your hearing health is made affordable with CareCredit, the leading patient payment program. With CareCredit, you can get the hearing instrument you need—then conveniently pay for it over time with low monthly payments that fit easily into your budget. If hearing loss has affected your quality of life, hear what you’ve been missing with the help of CareCredit. Like a credit card, but better

CareCredit works like a credit card, but is exclusive for healthcare services. With no up-front costs, no pre-payment penalties, and no annual fees, CareCredit lets you pay over time and frees up cash and credit cards for the other things you want or need. CareCredit offers low monthly payment plans for healthcare procedures not commonly covered by insurance, including hearing aids. It’s time to improve your hearing health and capture the sounds you’ve always enjoyed with CareCredit. For hearing care, CareCredit offers:

- Low minimum monthly payments

- Low, fixed interest financing

- No up-front costs, pre-payment penalties or annual fees
