

Genna Lechler, FNP

Genna Lechler is a certified Family Nurse Practitioner. She joined the Texas ENT and Allergy team in April 2013. Prior to working at Texas ENT and Allergy, she worked at the College Station Medical Center in the Operating Room as a Circulating Registered Nurse for 5 years. She was the ENT Coordinator for those 5 years and worked very closely with Dr. de Jong, Dr. Kuppersmith, Dr. McMahon and Dr. Price. She participated and helped initiate the first cochlear implantation, BAHA, and Sophono implants and the first robotic thyroid procedures in College Station.

She was born and raised in Brenham, Texas and graduated from Brenham High School. After graduation she attended Blinn College in Brenham for one year and then transferred to Stephen F. Austin State University in Nacogdoches Texas. She graduated from Stephen F. Austin State University in 2007, receiving her Bachelor of Science in Nursing and in April 2013, she graduated from the University of Cincinnati, with honors, receiving her Masters of Science in Nursing. She completed her pediatric and women's health rotations at the ABC Women and Children Clinic in College Station and her family practice and cardiac rotations at the College Station Medical Center. She is a member of the Texas Nurse Practitioners Association.

Genna, her husband, and two children live in Brenham where they enjoy being close to their family and friends.
